

Does true seclusion still exist?

Find out.

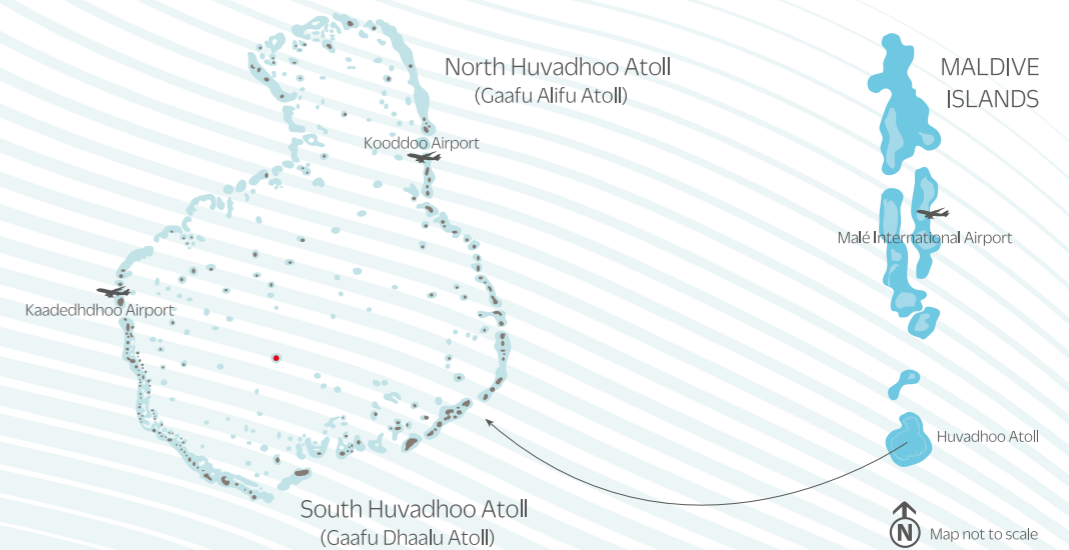

The Maldives are the epitome of hideaway luxury and tropical bliss – a nation of low-lying coral islands scattered across the Indian Ocean, just north of the Equator and southwest of the Indian peninsula.

Stretching for more than 800 kilometers from north to south and covering a total area of about 90,000 square kilometers, the Maldivian archipelago consists of 26 natural atolls with 1,190 islands boasting pristine white sand beaches lapped by idyllic turquoise lagoons.

Outrigger Konotta Maldives Resort is located less than 50 kilometers north of the Equator, 340 kilometers to the south of Malé and conveniently accessible via a 55-minute flight to Kaadedhdhoo Airport, followed by a scenic 30 minute journey on a private yacht.

Upon arrival, guests are escorted to a spacious arrival pavilion, which houses the reception area.

Outrigger Konotta Maldives Resort rests within the crystal waters of Gaafu Dhaalu Atoll.

Comprising 21 Beach Pool Villas, 21 Ocean Pool Villas, 8 Two Bedroom Beach Pool Villas, 2 Lagoon Pool Villas and the Grand Konotta Villa, the resort offers a complete sense of privacy and intimate luxury. Facilities include new and innovative dining concepts, Outrigger Navasana spa, a dive and water sport center, boutique and jewelry shop.

Prepare to be spoiled with endless views of the horizon, and discover a unique world of rich marine life in the resort's pristine lagoon. This secluded yet seamlessly accessible destination offers a sense of complete isolation, surrounded by unmatched natural beauty.

Activities

Diving

One of the last unspoiled places on Earth, the Maldives are firmly established among the best diving locations in the world. Outrigger Konotta Maldives Resort offers an unimaginable diversity of sea life: pristine coral reefs, graceful dolphins, tropical fish and a myriad of colorful nudibranch can be found here. We can also organize professional dive training so that you can experience all the natural wonders the Maldives archipelago has to offer.

For those not ready to take the plunge, we have over a kilometer of coastline to discover, and offer a wide range of guided and free-form snorkeling activities.

Water sports

Famous for powdery white beaches and azure seas, The Maldives are more sea than land. The waters around our resort are warm and inviting, and you'll be impressed by the variety of water sports we have ready for you. Whether you prefer a day spent leisurely drifting on a stand-up paddle board, or the thrill of windsurfing, wakeboarding or surfing, you'll find it here.

Looking for something more unique? Try one of our glass-bottom kayaks and experience the beauty of the Maldives above and below the waves at the same time.

Cruises and tours

Beyond our small piece of paradise, there are countless islands nearby to explore. Embark on an island-hopping tour, or take a romantic evening cruise on a traditional Dhoni boat watching dolphin's play as the sun sets. Experience the rich Maldivian culture with our guided tours, or bring a piece of it back home by signing up for a cooking class.

Dining

All dining options offered at the resort focus on true hospitality and genuine care for guests. Our chefs take a 'back-to-basics' approach to create menus offering clean, simple dishes that highlight aromas, flavors and visual appeal in an uncomplicated way.

Seasonal produce and fresh, locally-caught sustainable fish are blended expertly with a wide variety of spices to present guests with a unique dining experience. Menus offered showcase a breadth of international culinary creativity, and all meals are full service, a la carte.

Blue Salt, our international a la carte restaurant allows guests to indulge in cuisine from around the world. The mood changes throughout the day as does the setting, but our service is always the same – warm, friendly and intuitive.

International and Asian fare are offered poolside in a relaxed, casual setting. Lounges, day beds, and seating options on the deck or in cabanas create an open-air dining experience to remember. For those wanting a little more action, there is the resort's Deck Bar and recreation area close by.

Nala Rah, the resort's signature Asian Restaurant boasts a contemporary teppan grill and raw bar, an extensive list of wine, sake and sochu and signature cocktails. This is interactive dining at its best, with stunning ocean views.

Private beach dining and in-villa dining offer a level of service rarely experienced. Signature dishes, healthy options and personalized menus can be enjoyed in the setting of your choice.

Our philosophy is to have and serve the finest wine available. Our wine cellar boasts a balanced mix of New and Old World wines that can be paired with many menu selections. Wine tastings are also available.
