CHEVAL BLANC SPA

Cheval Blanc Randheli invites guests on a sensorial journey on an island dedicated exclusively to well-being and relaxation.

The journey begins as you sail to the idyllic spa island onboard a local dhoni.

Each designed to cater to every wish, Guerlain has conceived of a wealth of treatments and massages exclusively for Cheval Blanc Randheli. As an introduction or a sweet finale to a day in the sun, Guerlain's Randheli Sun Ritual prepares the skin for tanning and prolongs its natural glow. Noonu Atoll's tropical paradise offers underwater diving excursions to visit the rich fauna and flora surrounding its shores. Expressly conceived for divers, the After-Diving Experience is a soothing treatment that restores muscles from a day underwater.

For a unique holistic experience, Guerlain has also created four different sensorial journeys to treat the body and spirit. These journeys evoke a walk through a citrus orchard, a seaside sunset stroll, a journey through the Orient or a promenade through musky woodlands.

The signature facial, body and hair care treatments can be tailored to a single day or may be sequenced to last throughout a stay, for a more profound restorative care.

As a prelude or interlude to treatments, enjoy a private yoga or meditation session in the dedicated pavilions for a holistic pause.

GUERLAIN

Yield to the magic of a unique Guerlain treatment or massage experience where cutting-edge innovation blends with customisation, luxury, emotion and sensuality.

Your transformation begins here...

A Customised Experience

Every treatment is transformed into a unique and personal occasion, a moment created especially for you – this is the essence of the Guerlain experience, the perfect union of effective know-how and aesthetic expertise. Our Beauty Coaches begin each treatment with an in-depth analysis and precise skin diagnosis to reveal your specific beauty and well-being profile. They thus gain intrinsic understanding of your essential concerns to tailor a treatment according to your needs and expectations.

Two Orchidée Villas

Prestige treatment villas for two, the Orchidée Villas are the perfect place to enjoy a Guerlain treatment with someone special. Each treatment reveals multiple layers of an unparalleled sensorial journey. An exclusive Hand and Foot Treatment brings a delightful feeling of well-being. The treatment introduces cold and hot touches for a marvellous sensation – tension fades away. The final touch, hot paraffin wax compresses will nourish the feet and hands and will soften the skin.
