Weather-dependent, we start our festivities on the beach with a glass or two (or three) of our house champagne: Billecart-Salmon and some canapés. We'd love you to join us.

From 19.00

Five-course set menu dinner at The Shoreline Grill

Our chefs and sommelier have teamed up to deliver this incredible festive feast, where each course has been paired with a specially chosen wine from our collection.

From 19.00

'Golden Christmas' festive buffet in Ocean

Put yourself in the hands of our team of chefs tonight, as they bring you treasures from the west to the far east in this, the journey from lobster to turkey.

Christmas Day

Ocean Stories meets Santa

Let's do something different on Christmas morning: join the Ocean Stories Aquatic Centre team on this joint snorkelling and diving trip.

From 09.00

Breakfast with Santa at Ocean

Do we hear the faint tinkle of sleigh bells in the air ... ? It can only mean one thing: Santa is on his way. We hope you've been good because we're starting the day with champagne and a very special visitor.

From 19.00

Ba'theli open as normal

Set sail across the culinary ocean as the kitchen in the dream location of Ba'theli's deck and glass-floored dining room.

22.30

Sky lantern release

Make your Christmas wish then release the lantern into the air for good luck. We're using ethically-sourced, environmental kom loy lanterns that bio degrade without harm.
